EROTIC, TOO.

SHUT UP. I DEMAND YOU STOP THAT KIND OF TALK IMMEDIATELY!

AH, THEN SEE IT ALONE.

WHEN YOU GUYS DO IT, CAN YOU CALL ME OVER? JUST SEEING THAT IS ENOUGH FOR ME.

I DIDN'T PLAN TO DO THAT FROM THE BEGINNING!

GUA, THEN I'LL PEEK IN!

IF BRO SAYS THAT, THEN WE WILL HAVE TO DO IT IN A PRIVATE ROOM.

Psyblade's scribble

Year 2015 is coming to its end. There is only little time of it left. For now, I guess, it is time to review what you, our nations, the world and I have done in year 2015. It is also the time to announce our resolutions of year 2016, as well.

For me, year 2015 is a very special period in my life. Though I managed to accomplish some achievements, yet I still failed in many aspects, especially in my college study. But, I still believe there will be sunshine after the tempest. I will not give up, and trouble will never prevail against me.

Many noticeable events occurred in my country in year 2015. Some of them are positive and some are negative. And, it seems that negative events are a lot more than positive ones. My country is not rich, or even I would say, poor. But at least, there is no war here. I believe in unity. Only unity can aid us in the road of developing our beloved nation.

Year 2015 also marked the flourish of terrorism in many parts of the world. Wars occurred everywhere, countless casualties, human fought against human ..., just because of some ... I would say, petty reasons. This situation must not continue. Human should stand together, not against each other. Wish that in year 2016, wars, conflicts, poverty, ignorance, arrogance ... would unravel, happiness would flood into our world.

About New Year's resolution, I proudly announce that this year, I will complete my resolution of year 2014, 2013, 2012 ... (xD just joking). Well, I just hope that my final test of this semester will go well. About manga translation, I will try to reduce the number of mistakes in my translation to as few as possible. Also, I will work hard, to be able to achieve the JLPT N1 degree within next year.

New Year is coming, and now, it is time for the melody of "Auld Lang Syne" to sound. Here, I am going to introduce you the Japanese version of this song. I can believe that the sweet voice of the singer, the cute and innocent animation of this music video would warm your cold hearts through this vicious winter.

Happy New Year to my brothers
